The initial drafts for the subject documents, which are being considered for cancellation, are being sent to you for your review and comments. If a need is substantiated, we will reconsider the cancellation and maintain the document for future needs.

If these documents are of interest to you, please provide your comments to the project officer electronically. It is very important that you attempt to respond electronically to these drafts. This can be in the form of a return e-mail. We have allotted a 60-day coordination cycle from the date of this letter. Please provide your comments within that time period. If an electronic response is not possible we will still accept comments via letter, facsimile or phone call but only after you have contacted the project officer listed below. The initial draft documents can be found at the following DSCC-VA web page:

Concurrence or comments are required at this Center within 60 days from the date of this letter. Late comments will be held for the next coordination of the document. Comments from military departments must be identified as either "Essential" or "Suggested". Essential comments must be justified with supporting data. Military review activities should forward comments to their custodians of this office, as applicable, in sufficient time to allow for consolidating the department reply.
