

MIL-E-83425 (USAF)
AMENDMENT 1
8 August 1974

MILITARY SPECIFICATION

EARCUP, SOUND PROTECTIVE MX-8376/AR

This amendment forms a part of Military Specification
MIL-E-83425 (USAF) dated 23 November 1973.

Page 1, paragraph 2.1, Federal Specifications: Add "L-P-1183 Plastic Molding Material, Acrylonitrile-Butadiene-Styrene (ABS) Rigid".

Page 2, paragraph 3.3.1: Delete "Cyclac Type I or an equally suitable material" in the first sentence and substitute "conforming to type II of L-P-1183". Delete the second sentence.

Page 3, paragraph 3.4.1.2, third and fourth lines: Delete "except that the dimensions for wall thickness shall be compatible with the earcup being fabricated".
