American Society for Testing and Materials	159
Electronic Industries Association	139
Institute for Interconnection and Packaging Elec Circuits	60
National Aerospace Standards Committee	36
Underwriters Laboratories	31
American Society of Mechanical Engineers	28
National Electrical Manufacturers Association	14
American Petroleum Institute	14
Manufacturers Standardization Society of V&F Industries	10
All other	52

DSCC-VA 1st QTR ACTIVITY

DSCC-VA has significant responsibilities in the Non-Government Standards arena. During the 1st QTR DSCC-VA coordinated the withdrawal of adoptions for 12 and the adoption of 5 additional NGS's. DSCC attended 8 committees and working groups for 2 NGSB. To accomplish our standardization mission related to non-government standards, we will insure maximum possible participation in all NGS committees where DSCC has a vested interest.
