

Non-Government Standards Report
DSCC-VA
3rd Quarter, FY 2004

The Document Standardization Unit (DSCC-VA) is the adopting activity for 610 and agent on 88 Non-Government Standards (NGS's) published by 22 Non-Government Standard Bodies (NGSB's). The table below illustrates the distribution of adopted NGS's.

NGSB NAME	NUMBER OF DOCUMENTS	
	ADOPTING ACTIVITY	AGENT
Society of Automotive Engineers	162	
American Society for Testing and Materials	133	
Institute for Interconnection and Packaging Elec Circuits	86	2
Electronic Industries Association	58	83
National Aerospace Standards Committee	36	
Underwriters Laboratories	32	
American Society of Mechanical Engineers	28	
National Electrical Manufacturers Association	14	
American Petroleum Institute	11	
Manufacturers Standardization Society of V&F Industries	10	
All other	40	3

DSCC-VA 3rd QTR ACTIVITY

DSCC-VA has significant responsibilities in the Non-Government Standards arena. During the 3rd QTR DSCC-VA coordinated the withdrawal of adoptions for 26 and the adoption of 28 additional NGS's. DSCC attended 6 committees and working groups for 3 NGSB. To accomplish our standardization mission related to non-government standards, we will insure maximum possible participation in all NGS committees where DSCC has a vested interest.
