## Another Great Reason to Give: It's guaranteed.

You can give with confidence because the CFC includes only charities that are financially accountable and effective. Every year, thousands of charities are carefully reviewed by your fellow employees. Hundreds of charities are excluded from the list because they do not meet the high standards required by OPM and CFC. The CFC has been operating for almost 40 years and has a proven track record. There is nothing like it in the world and Americans are very proud of it.

Another Great Reason to give:

## The CFC is like a department store for charities.

Charities in the CFC serve virtually every area of need: international relief and development, environmental protection, medical research and health care, hunger and homelessness, education and leadership training, family and community development, arts, culture and recreation, human rights and justice, special programs for women, children, minorities and the disabled, and many more. Think of your CFC brochure as a holiday gift catalogue. Charities are listed alphabetically or grouped by federations of agencies with similar humanitarian missions. You will see a brief description, administrative cost ratio, four-digit designation code and telephone number of the participating charities. If you want more information, ask your campaign volunteers, call the charity directly, or visit some of the charities' World Wide Web home pages. Be sure to designate your favorite ones, up to five on your pledge card.
