

The Parts Standardization & Management Committee (PSMC)

Technical Fellow
Boeing Integrated Defense Systems
Industry Day
19 May 2009

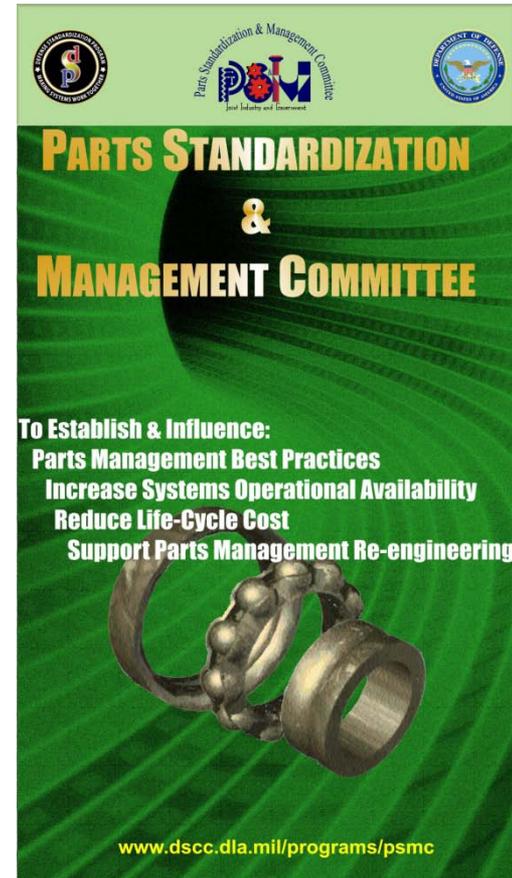

The Parts Standardization and Management Committee (PSMC) is a DoD sponsored committee that provides a forum to influence and support Parts Management and standardization through commonality of parts and processes.

The PSMC is chartered by the Defense Standardization Program Office (DSPO).

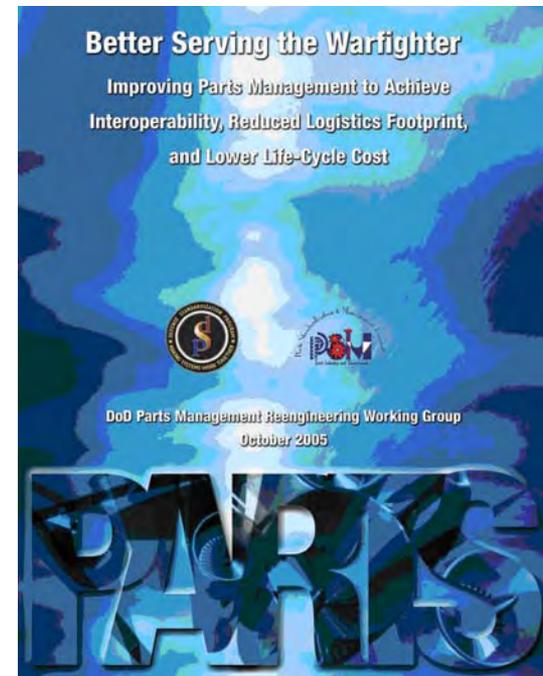

PSMC Goals

- Advise DSPO in the development of Parts Management & standardization policy, procedures, and guidance
- Provide a forum for shaping and harmonizing DoD Parts Management and standardization
- Support Parts Management reengineering initiatives
- Exchange Parts Management information and best practices
- Facilitate DoD and industry communication
- Identify Parts Management issues
- Collaborate with groups with related missions

PSMC Benefits

- Attend presentations by Parts Management subject matter experts
- Influence Parts Management products
- Network with Parts Management subject matter experts Throughout DoD and industry
- Advise DSPO on Parts Management issues, concerns, and best practices
- Engage in Parts Management tool and product development alongside other government and industry Parts Management experts

PSMC Meetings

- The PSMC meets face-to-face twice yearly
 - Spring and Fall meetings include
 - Presentations on subjects of interest to Parts Management
 - Working subcommittee sessions on Parts Management documents and products
- Subcommittee web conferences are held as required to continue progress on document and product development

Government PSMC Participants*

- Defense Standardization Program Office
- OSD Systems & Software Engineering
- Military Departments
- Defense Logistics Agency
- Defense Contract Management Agency
- Missile Defense Agency
- Government-Industry Data Exchange Program (GIDEP)

*Representative list, not all inclusive

Industry PSMC Participants*

- Aerospace Corporation
- BAE Systems
- Boeing
- CALCE
- ECCMA
- Honeywell
- IHS
- Inventory Locator Service
- Lansdale
- Lockheed Martin
- Manufacturing Technology Inc.
- Northrop Grumman
- Parker Aerospace
- PARTSolutions
- Raytheon
- Society of Automotive Engineers (SAE)

* Representative list, not all inclusive

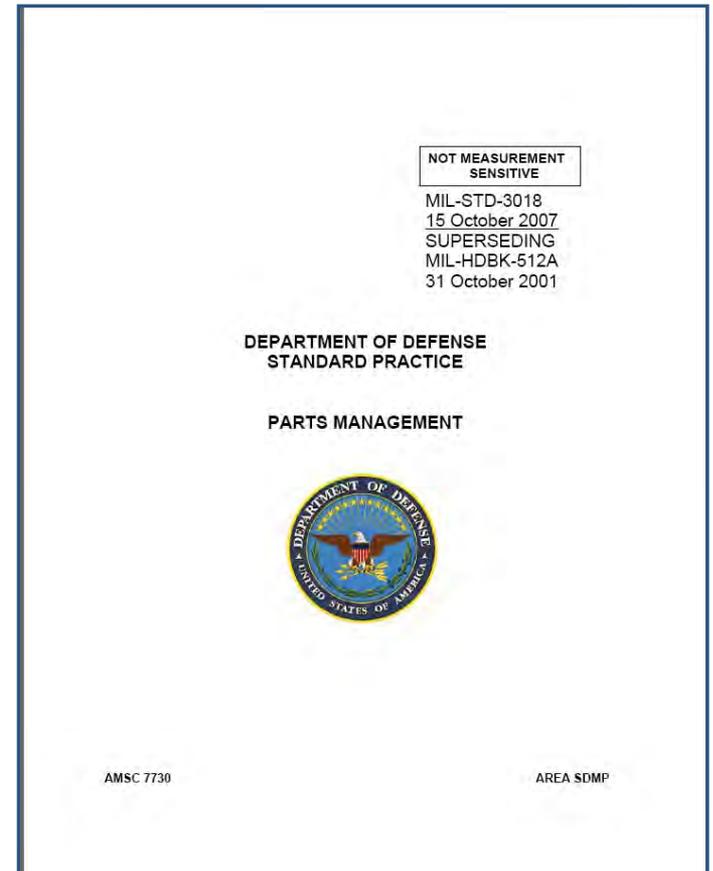

PSMC Subcommittees

- Contracting, Policy, & Systems Engineering
- Parts Management Tools
- DMSMS
- Documentation and Education
- Marketing
- Charter

PSMC Participant Contributions to Parts Management Products

- MIL-STD-3018, Parts Management
- DAU Course, CLL206, Parts Management executive overview
- Data Item Description DI-SDMP-81748
- OSD Systems Engineering Policy and Defense Acquisition Guide Updates
- Defense Parts Management Portal

PSMC Projects in Work

- Beta test and continued development of Defense Parts Management Portal (DPMP)
- Parts Management Plan Builder
- Standardization Document SD-19, Parts Management Guide
- PSMC website enhancements

Fall 2009 PSMC Conference

Nov 3-5, 2009

Bristol Hotel

The Bristol Hotel San Diego

1055 First Avenue

San Diego, CA 92101

Toll free: 800.662.4477
