SUBJECT: Qualification Removal, MIL-C-28840, FSC 5935
 Manufacturer: Breeze Illinois, Inc., 8823 North Industrial Road, Peoria, IL 61615-1507
 Part Numbers: M28840/4 and M28840/22
 Preparing Activity: DLA-CC

This office sent letter number VQ (VQP-04-006509) dated June 15, 2004 to the subject company requesting retention of qualification data. We discovered that the company is not registered with the Defense Logistics Information Service's Central Contractor Registration database, and we were also unable to locate a phone number for the company. The above referenced letter was returned to this office on June 25, 2004, and it had been stamped "undeliverable" by the United States Postal Service. This office has therefore concluded that the company is no longer in business, and we are taking action to remove in its entirety Breeze Illinois' Manufacturer and Supplier information, as well as the Qualification References listed below, from Qualified Products List (QPL) 28840.
