Dear Mr. Arnett:

We have received your e-mail dated February 18, 2004, and an exhibit sample insert sent separately, requesting qualification by extension to selected MIL-DTL-38999 part numbers. Qualification of your products is granted under the Military Specification Sheets listed below as a result of providing an exhibit sample insert, which demonstrates your capability to manufacture these products to Military Specification MIL-C-38999, Connectors, FSC 5935.

<u>Military Specification Sheet</u>	<u>Shell Size and Insert Arrangement</u>

A detailed listing of the connector type under the Military Specification Sheet will be listed on the Qualified Products List (QPL) 38999.
